In addition to the details required on the reverse, clear information should be given below under the following heads:—

- (a) If the ordinary surplus is insufficient to meet the charges of the proposed loan, the particular steps which the Municipality has taken, or has agreed to take, in order to make good the deficiency.
- From the statement it will appear that there was surplus of Rs. 357 in 1916-17, Rs. 18 in 1917-18 and a deficit of Rs. 517 in 1918-19. The average deficient for the above three years being Rs. 47 per year. This deficit was due to two expensive suits against the municipality which eventually ended in success of the municipality in the High Court, Rs. 1,347-15-6 being realised as costs and interest on 23rd March 1920. Besides Rs. 874 was expended from surplus head in 1918-19 for burning of bricks now lying in stock for methors' quarters. Had there been no occasion of these extraordinary expenditures, the municipal account would have shown a clear satisfactory surplus.
- (b) The reserve of taxation or other possible means of increase in the revenues of the Municipality.
- The number of pucca buildings is increasing every year in the town resulting in a progressive annual increase of municipal revenue. Rupees 430 being the increased revenue of the last year.
- (c) A statement of all outstanding loans specifying, in respect of each loan, the date when taken, the purpose (very briefly), the amount, the annual charges involved, and the amount still payable.
- Rupees 10,000 was borrowed in two instalments, Rs. 4,000 on the 1st February 1913 and Rs. 6,000 on the 2nd February 1914 for carrying out the drainage scheme. The annual charges involved being Rs. 731-1-10 towards repayment. Rupees 7,569-9-1 still payable.
- (d) Any explanations in regard to receipts and expenditure to show the true financial position of the Municipality when such position is otherwise than the ordinary surplus, would indicate.

L. S. S. O'MALLEY,
Secretary to the Government of Bengal.

No. 20 Marine.—The following draft of rules to regulate the granting of certificates to engineers under the Indian Steam-ships Act, 1884 (VII of 1884), which the Governor in Council proposes to make, in exercise of the power conferred by section 36 of that Act, and in addition to the rules published under notification No. 32 Marine, dated 25th March 1918, is published for general information.

2. The draft will be taken into consideration on or after the 3rd March 1921, and any suggestions or objections which are received by the undersigned before that date will be duly considered.

Draft Rules.

1. No alien shall act as Chief Engineer of a British merchant ship registered in the United Kingdom or in British India, except in the case of a ship employed habitually in voyages between ports outside British India.

Provided that this prohibition shall not apply to any alien who has acted as Chief Engineer of a British ship, at any time during the war, and is certified by the Admiralty to have performed good and faithful service in that capacity.

2. The expression "former enemy alien" means an alien who is a subject or citizen of the German Empire or any component State thereof, or of Austria, Hungary, Bulgaria, or Turkey, or who, having at any time been such subject or citizen, has not changed his allegiance as a result of the recognition of new states or territorial rearrangements or been naturalised in any other foreign state or in any British possession in accordance with the laws thereof, and when actually resident therein, and does not retain according to the law of his state of origin the nationality of that state.

3. No person who is debarred by the provisions of the Aliens Restriction (Amendment) Act, 1919, from serving in any specified capacity on a British merchant ship or fishing boat may be examined for a certificate of competency of the corresponding grade, or of a higher grade. The following regulations give effect to this general principle.

4. No "former enemy alien" may be examined for a certificate of competency of any grade.

5. Every candidate for a certificate as extra first class engineer or first class engineer, will be required either (a) to prove that he is a British subject, or (b) to produce a special certificate from the Admiralty in accordance with the proviso to rule 1.

6. Every applicant for examination shall produce proof of nationality.

Proof of British nationality will, in ordinary circumstances, involve the production of a birth certificate or of a certificate of naturalisation. If an applicant for examination cannot produce such a certificate he should be asked to furnish such documentary evidence of nationality, or of birth and nationality of parents, as he may be able to obtain, and, if necessary, the case should be referred to the Local Government for consideration.

If the applicant is not a British subject, he will, as a rule, be able to produce some official document testifying to his nationality. If there is any doubt as to the authenticity of such document, the Examiner should consult the nearest Consular Officer of the nation to which the applicant belongs. If necessary, the case should be remitted to the Local Government for consideration.

K. Sinha, I.C.S., was the Presiding Officer at the Behala Vernacular School and Barisa High School. Babu Debendra Nath Bose, Deputy Collector, was the Presiding Officer at the Behala Brahma Samaj, and Behala Kamarghat and Babu Sashi Bhusan Bhattacharjee was the Presiding Officer at Behala Municipal Office and the Barisa Charitable Dispensary.

7th.—That as more fully appears hereinafter (1) the election of the said Babu Surendra Nath Roy has been procured or induced and the result of the election has been materially affected by various corrupt practices, (2) the said Surendra Nath Roy and his agents have committed some of the corrupt practices specified in part I, Schedule IV of the Bengal Electoral Rules, and (3) the result of the election has been materially

affected by non-compliance with the provisions of section 12 (4) of the Bengal Electoral Rules and the Bengal Electoral Regulations, viz., *inter alia*, of XXII, XXVIII and XXIX of the said Rules which amounted to a conducting of the election in a manner and by a method contrary to the principle of election by ballot.

8th.—That at the time of the election aforesaid and for many years prior thereto the said Babu Surendra Nath Roy was and had been the Chairman of the Behala Municipality which includes the whole of the area comprised within the six polling stations mentioned in the foregoing 4th paragraph and wielded and wielded great influence over the rate-payers of the said Municipality who are the electors within the said area and over the officers and the staff of the said Municipality including the Vice-Chairman Babu Sidhi Nath Chatterjee, the head clerk Babu Debendra Nath Ghatak, the cashier Harendra Nath Chatterjee and the Tax-Collectors generally were under his control and at his disposal and the said Babu Surendra Nath Roy improperly used such influence and the resources of the said Municipality to secure his return at the said election.

9th.—That some persons acting as agents and canvassers on behalf of the said Babu Surendra Nath Roy, viz., amongst others his brothers and Krishna Dhone Mukerjee and Rajendra Nath Rai Chowdhuri and others acting in his interest generally, viz., Benode Behary Banerji, Dharendra Nath Banerji and Dr. Krishnadhane Mukerjee, etc., held out threats to and circulated reports among the electors in the said South Suburban area that any house-owner who would vote against the said Surendra Nath Roy would have his rates enhanced and any license-holding trader including the proprietors of rice mills within the said Municipality who would vote against him would have his license cancelled, and thereby interfered and attempted to interfere with the free exercise of the franchise by such electors.

10th.—That on the 8th December 1920 at the said Vernacular High School polling station one Krishna Dhone Mukerjee, one of the Commissioners of the said Municipality and an agent of the said Babu Surendra Nath Roy, having come to know that an elector, viz., Hari Lasker, wanted to record his vote in favour of your petitioner said then and there in a loud tone and in the hearing of other electors addressing a Municipal employee that a careful note should be kept of that elector's name and address so that he might be suitably dealt with. Your petitioner charges that in consequence of such misconduct of the said Krishnadhane Mukerjee which amounted to clear threat and intimidation a very considerable body of voters were prevented from exercising their franchise freely.

11th.—That on the 8th December 1920 at the Behala Brahmo Samaj polling station the said Babu Sidhi Nath Chatterjee the Vice-Chairman of the said South Suburban Municipality, having come to know that an elector Santosh Kumar Nath had voted for your petitioner threatened him in the presence of a number of electors that he would make him feel the consequences.

12th.—That on the same day before the polling began the said Sidhi Nath Chatterjee along with Babu Surendra Nath Roy's brother and agent of the said Babu Surendra Nath Roy called at the house of another elector Babu Sarat Chandra Nath asked and threatened him that if he dared to vote for your petitioner his rates would be enhanced and the said Babu Surendra Nath Roy personally or through his agents and canvassers threatened amongst others the following electors Mohendra Jana, Panchcowry Mandal, Abinash Chandra Sardar, Kedar Chandra Sardar, Ram Chandra Biswas, Kunud Chandra Banerji, Kshetra Mohan Karanakar and Babu Hari Pada Mitra that if they voted against him their rates would be enhanced.

13th.—That the said Babu Surendra Nath Roy either personally or through his agents and canvassers threatened certain electors who carry on trade or business within the said Municipal area and have to take out and renew licenses from the said Municipality that unless they voted for him, he would make things difficult for them when the next turn would come for the renewal of their trade licenses.

14th.—That the said Babu Surendra Nath Roy through his agent Dharendra Nath Banerji who is a Tax-Collector of the said Municipality threatened Babu Preonath Chatterjee who is an elector that if he voted against Surendra Nath Roy his privy service would be discontinued for ever.

15th.—That a number of the zemindars acting in the interests of the said Surendra Nath Roy and canvassing for him threatened their tenants who are electors that if they did not vote for the said Surendra Nath Roy they would be oppressed. In particular Jugal Babu and Kamud Babu two Zemindars in the presence and at the instigation of the brother and agent of the said Surendra Nath Roy so threatened their tenant one Kshetra Mohan Karmakar who is an elector.

16th.—That the said Babu Surendra Nath Roy by his agents or by other persons with their connivance procured or attempted to procure applications for voting papers by one person in the name of another and also by a person who had already voted at the said election for a second voting paper and thereby committed a corrupt practice specified in Part I, Schedule IV aforesaid. In particular,

- (1) At the Behala Municipal Office polling station on the 8th December the son of an elector named Nepaly Kurmi having been falsely identified by the Municipal tax-daroga an agent of the said Babu Surendra Nath Roy, his election agent handed up to the polling officer a printed card bearing the name and roll number of the said Nepaly Kurmi and applied for a voting paper. Thereupon the said polling officer questioned the said person when it was detected that he was not Nepaly Kurmi but the latter's son and so no voting paper was in fact issued to him.
- (2) That on the 10th December 1920 at the Barisa Charitable Dispensary polling station an elector Gopal Chandra Chatterjee having once recorded his vote came forward a second time and being identified by an agent of the said Babu Surendra Nath Roy who is a tax-collector of the said municipality applied for a voting paper but the polling officer having detected this fact refused to issue a voting paper to him.

17th.—That at the Barisa High English School polling station the said Babu Surendra Nath Roy kept an agent for the purpose of identifying the electors. Upon certain electors presenting themselves, your petitioners election agent being doubtful about their identity enquired whether the said agent of Babu Surendra Nath Roy could recognise them when he said that he could not. Thereupon the said voters produced printed cards issued to them by the said Babu Surendra Nath Roy and the said agent thereupon identified them as the particular electors in question and in this way the votes of several persons who had not been properly identified were recorded by the polling officers concerned both at the said Barisa High English School polling station and also at other polling stations in favour of the said Babu Surendra Nath Roy.

18th.—That at the polling stations the presiding officers far from excluding all persons except those mentioned in clause XXII of the Bengal Electoral Regulations as they ought to have done allowed a large number of municipal officers and employees to be present at the polling station and even in the inner enclosure and their presence served generally to overawe the electors, in particular the polling officer Babu Devendra Nath Bose on the 8th December 1920 allowed the said Babu Sidhi Nath Chatterjee to be throughout seated by his side and he on the 10th December 1920 allowed Babu Abhoy Nath Nandi, a clerk of the said municipality, to be similarly seated and this fact materially affected the voting by overawing electors.

19th.—That at most of the said polling stations within the South Suburban Municipality the method of secret ballot was not observed at all. Clause 12 (4) of the Electoral Rules and the Clauses XXVIII and XXIX of the said Regulations were wholly disregarded.

In Particular, (1) at the Barisa High English School polling station when voters presented themselves to record their votes, the polling officer in almost all cases without enquiring whether they were literate or illiterate as he ought to have done asked them in a loud voice in the presence of many voters, outsiders and persons interested in the candidature of the Babu Surendra Nath Roy whom they would vote for and they answered in an equally loud voice.

- (2) At the Behala Brahmo Samaj polling station the ballot papers together with the counterfoils, i.e., the whole ballot book was handed over to the literate electors who after putting their cross marks openly in the presence of all persons gave it to the clerks of the presiding officer and then the clerks tore out the ballot portion and handed over the same to the electors for being thrown to the ballot box.
- (3) At almost all the polling stations the literate electors were asked to record their votes on the same table at which the presiding officer and his clerks were seated and they put their marks against the names of candidates in the presence of every one present there including many outsiders. In the inner enclosure where votes were recorded, many persons mostly officers of the local Municipality who ought not to have been admitted there under the Electoral Regulations were admitted and allowed to remain in spite of the objection on the part of your petitioner.
- (4) The ballot papers, in many cases, were not handed over to the Electors by the polling officer but the polling officer in contravention of the Regulations put the marks himself and folded the ballot papers himself and put the ballot papers into the ballot box with his own hands or through his clerks.
- (5) This happened especially at the Barisa High School polling station, where the presiding officer not only marked the ballot papers himself in the cases of both literate and illiterate electors but himself threw the ballot papers into the ballot box, which he ought not to have done.
- (6) At the Behala Municipal Office, Behala Vernacular School, Barisa High School, Behala Brahma Samaj and Behala Kamarghat polling stations the polling officers especially in the case of illiterate electors in putting the cross mark did so openly and in the view of other persons electors and outsiders.

20th.—That the said Babu Surendra Nath Roy either in his private capacity or as Chairman of the said Municipality, had caused cards to be issued to such of the electors as he considered likely to vote for him and at some of the polling stations an attempt was made to throw obstacles in the way of the electors who presented themselves without such cards with a view to exclude them from voting and in this way a number of votes were lost to your petitioner. In particular at the Behala Vernacular School polling station the head clerk of the said Municipality who acted as agent for the said Babu Surendra Nath Roy first checked the cards and then handed them to the said Babu Krisna Dhon Mukerjee who having read aloud the name appearing on the card the man who had presented the card was placed before the polling officer and then the voting took place in an open manner as already stated.

21st.—That the non-compliance with the rules as to voting and the presence in large numbers of people connected with the South Suburban Municipality whether as officers or employees materially affected the polling in the said area by overawing electors and prevented the free exercise of their franchise.

22nd.—That your petitioner may be allowed liberty to add to and supplement the particulars herein given.

23rd.—That your petitioner submits that the election of the said Babu Surendra Nath Roy should be declared invalid.

Your petitioner therefore prays Your Excellency to appoint Commissioners for the trial of this petition in due course and that the election of the said Babu Surendra Nath Roy be declared invalid and that the said Babu Surendra Nath Roy be directed to pay to your petitioner his costs of and incidental to such trial. And your petitioner shall ever pray.

ROY YATINDRA NATH CHOWDHURY.

1. **Raj Yatindra Nath Chowdhury** residing at Kutighat, Baranagore in the district of 24-Parganas, the petitioner abovenamed, do declare that the statements in paragraphs 1 to 6 and 18 thereof are true to my knowledge that the statements in paragraphs 7 to 17, 19, 20 and 21 are made on information received which, I believe, to be true and that the statements in paragraphs 22 and 23 thereof are mere submissions. I sign this verification at No. 6, Old Post Office Street, Calcutta, this 4th day of January 1921.

ROY YATINDRA NATH CHOWDHURY.

In the Court of the Commissioners appointed under section 34 (2) (a) of the Bengal Electoral Rules at Alipore.

A. H. CUMING,

President of the Commissioners.

ALIPORE, the 22nd January 1920.

Case No. 2 of 1921 under Bengal Electoral Rules.

In the matter of Part VII of the Bengal Electoral Rules and in the matter of the Hon'ble Dr. Abdullahal Ma'mun Suhrawardy, petitioner, against Maulvi Wazir Ali Khan of Bakarganj, respondent.

TO HIS EXCELLENCY THE GOVERNOR OF BENGAL.

The humble petition of the Hon'ble Doctor Abdullahal-Ma'mun Suhrawardy, Barrister-at-law, of 56, Mirzapore Street, in town of Calcutta.

Sheweth:—

1. That your petitioner duly filed his nomination paper for election to the Bengal Legislative Council from the constituency known as Bakarganj West (Muhammadan) with the Returning Officer, being the District Magistrate of Bakarganj.

2. That the said nomination paper was in accordance with the directions contained in Section XVII of the Bengal Electoral Regulations published in the *Calcutta Gazette Extraordinary* of August 11, 1920, was properly attested and was filed within the time as notified by Government.

3. That the two candidates Maulvi Wazir Ali Khan and your petitioner were nominated for the constituency aforesaid.

4. That the said nomination papers were scrutinised by the Additional District Magistrate of Bakarganj on the 16th November 1920. The said officer accepted the nomination paper of Maulvi Wazir Ali Khan, but rejected your petitioner's nomination paper on the ground that there was no evidence before him as to whether your petitioner signed the nomination paper before or after the same was signed by the electors who had proposed and seconded your petitioner's candidature.

5. That your petitioner's nomination having been thus rejected, the said Maulvi Wazir Ali Khan was declared elected under rule 12 of the Bengal Electoral Rules and his election was published in the *Calcutta Gazette* of November 24, 1920.

6. That your petitioner respectfully submits that the decision of the Additional District Magistrate was wrong, against law, and without jurisdiction on the following amongst other grounds:—

(a) For that the additional District Magistrate of Bakarganj had no authority under the law and according to the Bengal Electoral Rules and Regulations to hold the scrutiny of the nomination papers.

(b) For that the District Magistrate of Bakarganj who is the Returning Officer under the said Rules and Regulations had no power or authority to delegate his duties as such Returning Officer to the Additional District Magistrate or to any one.

- (c) For that the Additional District Magistrate was wrong and not justified in law in rejecting your petitioner's nominations paper on the ground set out in paragraph 4 above or on any other ground as your petitioner's nomination paper was in perfect compliance with the rules and regulations framed by Government and it was not within the province of the said officer to enquire as to the order in which such paper was signed.
- (d) For that the Respondent Wazir Ali Khan is under 25 years of age and is therefore not qualified under the rules to stand as a candidate or to be elected.
- (e) For that the Respondent being ineligible your petitioner should have been declared elected under rule 12 of the Bengal Electoral Rules as a member of the Bengal Legislative Council from Bakarganj West, Muhammadan constituency.

Your petitioner herewith begs to deposit the sum of one thousand rupees in cash as required by the said rules.

Your Excellency's humble petitioner therefore prays that in the circumstances above set forth and on the grounds above stated, the decision of the Additional District Magistrate be set aside, the election of Maulvi Wazir Ali Khan be cancelled and your petitioner's nomination be accepted and he be declared duly elected from Bakarganj West (Muhammadan) Constituency to the Bengal Legislative Council.

And Your Excellency's humble petitioner as in duty bound shall ever pray.

A. SUHRAWARDY.

I, Abdullahal-Ma'mun Suhrawardy, declare that the statements in paragraphs 1, 2, 3 and 5 of this petition are true to my knowledge and those contained in the remaining paragraphs are true to the best of my belief and information.

A. SUHRAWARDY.

Extra Numerum Subject.—Candidates may take, in addition to the above, one of the translation papers of Section A, in a language not already taken by them in either section, not more than one of the Scandinavian languages, nor more than one of the three, Spanish, Italian, Portuguese, being offered by the same candidate either in Section A, or *extra numerum*; for this 100 marks will be awarded not included in the 800 of Section A, or the 1,000 of Section B. Instead of a translation paper Candidates may also take as *extra numerum* subject either of the subjects 62 and 63.

In addition to taking one of the subjects 62 and 63 as *extra numerum*, Candidates whose mother tongue is an Indian language may take the other of these subjects in place of subject 5.

6. A list of the competitors shall be made out in order of their proficiency as disclosed by the aggregate marks finally awarded to each competitor, and in that order so many competitors, up to the determined number of appointments, as are found by the Civil Service Commissioners to be qualified by examination, shall be designated to be Selected Candidates for the Indian Civil Service, provided that they appear to be duly qualified in other respects. Should any Selected Candidate become disqualified, the Secretary of State for India will determine whether the vacancy thus created

In the Final Examination, as in the Open Competition, the merit of the Candidates examined will be estimated by marks (which will be subject to deductions in the same way as the marks assigned at the Open Competition), and the number set opposite to each subject denotes the greatest number of marks that can be obtained in respect of it. The examination will be conducted on paper and *viva voce*, as may be deemed necessary.

If any Candidate is prevented by sickness or any other adequate cause from attending such examination, the Commissioners may, with the concurrence of the Secretary of State for India in Council, allow him to appear at the Final Examination to be held in the following year, or at a special examination.

* Instructions, showing the extent of the examination, will be issued to Selected Candidates as soon as possible after the result of the Open Competition is declared.

10. The selected Candidates will also be tested during their probation as to their proficiency in Riding.

The examinations in riding will be held as follows :—

- (1) Shortly after the result of the Open Competitive Examination has been declared, or at such time or times as the Commissioners may appoint during the course of the probationary year.
- (2) Again, at the time of the Final Examination. Candidates who may then satisfy the Commissioners that they are sufficiently at home in the saddle for the efficient performance of all the duties of the Indian Civil Service will be awarded marks ranging between 101 and 200 according to the degree of proficiency displayed, to be added to their marks in the Final Examination. Candidates who fall short of this adequate proficiency but show such minimum proficiency as is evidence that with a moderate amount of practice they can attain full proficiency, will receive marks ranging between 1 and 100; they will be allowed to proceed to India and will on their arrival there be subjected to such further tests in riding as may be prescribed by their Government, and shall receive no increase to their initial salary until they have passed such tests to the satisfaction of that Government.

A Candidate who fails at the end of the year of probation to satisfy the Civil Service Commissioners that he has reached the minimum standard of proficiency in riding, will be liable to have his name removed from the list of Selected Candidates.

11. The Selected Candidates who, on examination, shall be found to have a competent knowledge of the subjects specified in Regulation 7, and who shall have satisfied the Civil Service Commissioners of their eligibility in respect of nationality, age, health, character, conduct during the period of probation, and ability to ride, shall be certified by the said Commissioners to be entitled to be appointed to the Indian Civil Service provided they shall comply with the regulations in force, at the time, for that Service.

12. Persons desirous to be admitted as Candidates must apply on Forms, which may be obtained from "The Secretary to the Civil Service Commissioners, London," at any time after the 1st December, in the year previous to that in which the Examination is to be held. No person will be admitted to the Examination from whom the Secretary to the Civil Service Commissioners has not received on or before the 1st June (or, if that date should fall on a Sunday or public holiday, then, on or before the first day thereafter on which their office is open), in the year in which the Examination is to be held, an application, in the handwriting of the Candidate, on the prescribed form.

APPENDIX.

1. Any person who has joined, since the 4th August, 1914, the Army or Navy, or Royal Marines or the Royal Air Force, or has rendered since that date actual military service in the Special Reserve or Territorial Force, Royal Naval Reserve or Royal Naval Volunteer Reserve, may, if eligible in point of age under the Regulations as they now stand for admission to the open competitive examination held in 1920, but over age in 1921, deduct from his actual age at the time of the open competitive examination held in 1921 :

- (a) The actual period of such service, if it has not exceeded three months.
- (b) One year, if the actual period of service has exceeded three months. No candidate will be allowed to deduct more than one year from his actual age.

2. The same concession may also be granted to those who have been employed during the same period in connection with the armed forces of the Crown at home or abroad giving their whole time and under obligation to serve for the duration of the war or until their discharge, or for any period not terminable at their own option, provided that their employment be not on ordinary commercial terms, such as that of Assistant Paymasters, Clerks, Artisans, and the like.

3. The grant of the concession described in paragraph (2) will be at the discretion of the Civil Service Commissioners, whose decision in each case will be final. Candidates who contemplate applying for an age deduction under (2) will do well, to apply to the Civil Service Commission for a ruling on their case.

4. Candidates to be eligible for the concessions in (1) or (2) must furnish an official certificate of the period and satisfactory character of their service and if any doubt arise whether the service of any candidate is of the kind contemplated, the Secretary of State for India in Council reserves to the Civil Service Commissioners the right to decide the case upon its merits.

The Civil Service Commissioners are authorized by the Secretary of State for India in Council to make the following announcements:—

(i) *Selected Candidates will be allotted to the various provinces upon a consideration of all the circumstances, including their own wishes; but the requirements of the Public Service will rank before every other consideration.*

(ii) *Except in the case of persons continuing to receive Scholarship allowances of equal or greater amounts from the Government of India an allowance amounting to £200 will be given to any Candidate who passes his probation at one of the Universities or Colleges which have been approved by the Secretary of State, viz., the Universities of Oxford, Cambridge, Dublin, Glasgow, Edinburgh, St. Andrews and Aberdeen; the School of Oriental Studies, London Institution, Finsbury Circus; Victoria University, Manchester.*

This allowance will be paid to the selected Candidate in four instalments on the following dates respectively:—December 24th, after his selection, March 25th, June 24th, and the date of his signing his covenant on being finally appointed to the Service.

An allowance on account of passage to India will be paid to each newly appointed civilian to the amount of £40, for passage to Calcutta, Madras or Bombay, and £50 for passage to Rangoon. These allowances will only be paid after production of evidence that the Officer has engaged a First Class passage. An officer who prefers it can have a First Class passage taken for him by the India Office in lieu of receiving a passage allowance. Applications giving proposed dates of sailing should be made to the Secretary, Judicial and Public Department, India Office, London, S.W.1.

The payment of each of the first three instalments will be conditional on the receipt, by the Secretary of State, through the Civil Service Commissioners, of a Certificate that the Candidate has fulfilled up to date the requirements of the Authorities, and shown satisfactory conduct at the Authorized University or College; the fourth and final instalment will be paid as soon as the selected Candidate has signed his covenant, and for its payment no certificate from College Authorities will be required.

The whole probation must ordinarily be passed at the same Institution. Migration will not be permitted except for special reasons approved by the Secretary of State.

(iii) *Each Candidate will be required before receiving the first instalment of his allowance to execute an agreement binding himself and one surety, jointly and severally, to refund all monies he may have received from the Secretary of State for India in the event of—*

(1) *his failure to pass the Final Examination within the time prescribed by the Regulations, and to satisfy the Civil Service Commissioners of his fitness for admission to the Indian Civil Service, or*

(2) *his subsequent failure to execute the usual covenant, and to proceed to India, as and when he shall be directed by the Secretary of State for India.*

(iv) *All Candidates obtaining Certificates will be also required to enter into covenants, by which, amongst other things, they will bind themselves to make such payments as under the rules and regulations for the time being in force, they may be required to make towards their own pensions or for the pensions of their families. The stamps payable on these covenants amount to £1.*

(v) *The seniority in the Indian Civil Service of the Candidates obtaining Certificates will be determined according to the order in which they stand on the list resulting from the combined marks of the Open Competitive and Final Examinations, but may ultimately be affected by appointments made by the Secretary of State under the Temporary Provisions Act, 1915.*

(vi) *Candidates obtaining Certificates will be required to report their arrival in India within such period after the grant of their Certificates of Qualification as the Secretary of State may in each case direct.*

(vii) *Candidates who fail to satisfy the Civil Service Commissioners at the Final Examination held in any year will be definitely rejected, and will not be allowed to present themselves for re-examination, unless it shall appear to the Secretary of State in Council, after reference to the Civil Service Commissioners, that such failure is due to circumstances wholly exceptional and beyond the control of the Candidate.*

FOREST BRANCH.

NOTIFICATION.

No. 914 For.—The 8th February 1921.—The following regulations for the appointment, in India, of Probationers for the Imperial Forest Service in 1921, are published for general information.

W. S. HOPKYNs,

Secretary to the Govt. of Bengal (offg.).

Regulations for the appointment, in India, of probationers for the Imperial Forest Service in 1921.

Applications are invited from natives* of India and Burma for probationerships for the Imperial Forest Service. Candidates of European or Anglo-Indian descent must be unmarried and, if appointed as probationers, must remain unmarried until completion of the prescribed course of training and their return to India.

2. Applicants, who should not be more than 23, nor less than 19, years of age on 30th June 1921, must possess an *Honours*, or a first class, degree, in any subject, of a University incorporated by law in British India.

3. Any attempt on the part of a candidate to enlist support for his application through persons of influence will disqualify him for appointment. Testimonials or other recommendations should not be attached to the applications.

4. Applications, which should be addressed to the Secretary to the Government of India, Department of Revenue and Agriculture, Simla, *through the Revenue Secretary of the Local Government concerned*, in the case of residents in British India, and *through the Political Officer, or Agent* in the case of residents in Indian States, must be in the form attached to these regulations and *must reach Simla not later than the 15th May 1921*. Copies of the regulations and of the forms of application may be obtained from the Secretary to the Government of India, Revenue and Agriculture Department, the Revenue Secretaries to the Governments of Madras, Bombay, Bengal, the United Provinces, the Punjab, Burma, Bihar and Orissa, Assam, Central Provinces, the Chief Commissioners of Coorg, Ajmere, Delhi; the Chief Commissioner and Agent to the Governor-General in the North-West Frontier Province; the Agent to the Governor-General, Baluchistan, and Political Officers of Indian States.

5. Applications must be accompanied by a preliminary medical certificate of fitness for service in the Forest Department, signed by a Presidency Surgeon or the Civil Surgeon of the district or agency in which the applicant resides. This certificate is intended to prevent applications from candidates who are obviously physically unsuited for the Forest Service and will not exempt candidates from appearance before the final Medical Board.

6. Applications from officers already in the public service, whether as probationers or on a permanent establishment, will not be entertained.

7. Candidates, who from their papers and from the remarks made by Local Governments, or Political Officers or Agents, in forwarding their applications, appear *prima facie* to be suitable will be summoned by the Government of India to undergo a written qualifying examination in English (the test will be by precis writing as well as by an essay: deductions of marks will be made for faults of writing and spelling), Mathematics (Arithmetic; Algebra up to and including the Binomial theorem; Plane Trigonometry up to and including the solution of triangles and the theory and use of Logarithms), and Science (candidates must appear for examination in any two of the following subjects:—Chemistry, Physics, Botany, Zoology, Geology and Physiology and must, with their applications, state which two they have selected). The standard of the papers set in the Science subjects will be that of the B. A. (Honours in Science) degree of the Madras University. These examinations will be held on 15th, 16th and 17th June 1921 at local centres,

* "Native of India" means any person born and domiciled within the dominions of His Majesty in India or within the territory of Indian Princes tributary to, or in alliance with, His Majesty, of parents habitually resident in India and not established there for temporary purposes only.

namely, Rangoon, Calcutta, Allahabad, Lahore, Bombay and Madras. Candidates must state in their applications the centres at which they wish to appear if called up for examination. This choice once made may not be varied.

Copies of the papers in English and Mathematics, set in the qualifying examination of 1920, may be obtained from the Secretary to the Government of India, Department of Revenue and Agriculture.

8. Candidates who have satisfactorily undergone the tests referred to in paragraph 7 will be summoned by the Government of India to appear at Dehra Dun in the first week of August 1921, where they will first be required to undergo a physical test, which will consist of an excursion extending over about 15 to 16 miles and of such a nature as to test candidates' activity and power of endurance. Those completing this test satisfactorily will next be subjected to a strict medical examination, in which particular stress will be laid on good vision and hearing; when, if passed as fit for the work of the Forest Department, they will be interviewed by a selection board appointed by the Government of India.

9. Candidates will not be entitled to any travelling allowance for journeys performed in connection with these regulations, with the exception that those summoned to appear at Dehra Dun for the physical test, medical examination and interview, referred to in paragraph 8, who come from a greater distance than 200 miles for this purpose, will be paid half the cost of a second class fare [by rail or (and) by sea] for the journeys to, and from, Dehra Dun. This allowance will be paid by the President, Forest Research Institute and College, Dehra Dun, before the candidates leave Dehra Dun.

Candidates must make their own arrangements for board and lodging at Dehra Dun, but the President, Forest Research Institute and College, will endeavour to assist those who communicate with him on this subject.

10. Those finally selected as a result of the examinations, tests and interview prescribed in paragraphs 7 and 8, will be appointed as probationers for the Indian Forest Service; they will be required to leave for England early in September and, subject to their undergoing satisfactorily, as described below, a course in Forestry and allied subjects in England, will be appointed finally as Assistant Conservators of Forests. Candidates selected for training will be provided with second class passages to England, but the cost of travelling to the port of embarkation will not be paid.

11. *Period of probation.*—Before appointment to the Imperial Forest Service a probationer will be required—

- (1) to have undergone, and qualified in, to an extent to be prescribed by His Majesty's Secretary of State for India, the course of Forestry at such University as the Secretary of State may prescribe;
- (2) to have undergone a special course of instruction in Forestry under the direction and supervision of the Director of Indian Forest Studies;
- (3) to have passed an examination in Forest Engineering and, if required, in certain other special subjects, namely, Systematic Botany of Indian Trees, Indian Geology, Forest Law and Indian Working Plans;
- (4) to have undergone a final competitive examination in Forestry;
- (5) to have satisfied the Secretary of State, in such manner as may be determined, of his ability to ride.

The period of probation is, in ordinary cases, two years. The Director of Indian Forest Studies instructs probationers in each case as to the order and manner in which they should fulfil these various requirements.

12. *Charges.*—Probationers will be required to defray all expenses of lodging, board, tuition and excursions to forest centres in the United Kingdom while at the University and on practical instruction.

13. *Allowances.*—The Secretary of State for India in Council makes payment to each probationer at the rate of £2 10* per annum, not exceeding a total of £400. These payments are ordinarily made on the following dates in each year:—

On 1st December	£60
On 1st March	£60
On 1st June	£80

*This allowance is unlikely to be sufficient to meet all the needs of a probationer, who should be in a position to provide himself with at least another £150 per annum from other sources.

The cases of probationers whose probation does not extend over the full period of two years will be specially considered.

For tours made on the Continent, under the instructions of the Director of Forest Studies, subsistence and travelling allowance will be paid by the Secretary of State for India in Council at such rates as he may from time to time fix. The fees of the local forest officials, at the centres visited, will also be paid by the Secretary of State.

The grant of allowances is subject to the following conditions:—

- (a) that the progress of the probationer in his studies is satisfactory;
- (b) that the probationer gives security* to refund the payments in the event of his failing to qualify for an appointment in the Indian Forest Service, or not signing the articles of agreement as specified in paragraph 16 or failing to join the Indian Forest Service at the end of the period of probation.

14. *Conduct*.—Every probationer is required to conduct himself during the period of probation in a manner satisfactory to the Secretary of State and to give evidence of satisfactory progress in his studies in such a manner as may be required, failing which, or in the event of serious misconduct, he is liable to have his name removed from the list of probationers.

15. *Appointment and seniority*.—Probationers who comply with the requirements of paragraph 11 within the sanctioned period of time, and also satisfy such other tests as may be prescribed, are appointed Assistant Conservators in the Indian Forest Department, provided that they are of sound constitution and free from physical defects which would render them unsuitable for employment in the Indian Forest Service. No probationer will be confirmed as a member of the Imperial Forest Service who fails to profit by the course of training, or who appears, in the light of the experience acquired as to his capacity and qualifications during the probationary period to be unsuited for the work of a forest officer.

The position of the Assistant Conservators in the Provincial Forest Lists is determined by the Secretary of State for India in Council on the report of the Director of Indian Forest Studies. Officers promoted from the Provincial to the Imperial Service will take rank according to their pay in the latter service. Probationers recruited under these regulations must consequently be prepared to find their names placed below those of officers promoted from the Provincial Service.

Probationers are allowed at the end of the period of probation to state their preference in respect to the province to which they desire to be allotted; but the distribution is made to the several provinces according to the needs of the public service, at the discretion of the Secretary of State for India in Council, and no guarantee can be given that probationers will, on appointment, be posted to their own provinces. Indians will not, however, be required to serve in Burma and Burmans will not be required to serve in India.

Officers are at all times liable to be transferred from one province to another at the pleasure of the Government of India.

16. *Articles of agreement*.—A probationer is required, on qualifying for appointment as Assistant Conservator, to sign articles of agreement setting forth the terms and conditions of his appointment; he must embark for India when required to do so by the Secretary of State. Failure to embark at the stated time will, in the absence of satisfactory explanation, lead to forfeiture of appointment.

17. *Passage to India*.—Each probationer on appointment to the Indian Forest Service is provided with a free 1st class passage to India.

18. *Salary*.—The scale of pay and allowances in force for officers of Indian domicile is given in Appendix II to these regulations.

19. *Promotion and pension*.—Promotion and pension are governed by the regulations laid down by the Government of India, and applicable to forest officers, such regulations being subject to any modifications or alterations which may be made in them from time to time by the Government of India, and their interpretation in case of any doubt arising being left to that Government.

* Probationers will be required to give security to the Local Government or Political Officer through whom they submitted their applications. If this condition is not satisfied, they will not be permitted to leave for England.

Certain information regarding appointments in the upper controlling staff of the Indian Forest Service will be found in Appendix II, and a summary of information regarding pensions is contained in Appendix III.

APPENDICES.

APPENDIX I.

The rules are subject to alteration from time to time, and are to be found in full in the authorised text for the time being of the Civil Service Regulations.

The following is the scale of pensions admissible to officers of the Imperial Forest Service, subject to the absolute right of Government to decline to permit any officer to retire before reaching the age of superannuation should it be necessary in the public interest to retain his services.

Government has an absolute right to retire any officer after he has completed twenty-five years' service, without giving any reasons and without incurring any obligation to give compensation in addition to pension.

After 20 years' completed service $\frac{2}{3}$ ths average emoluments subject to a maximum of Rs. 4,000 per annum.

Additional pensions will only be awarded to officers who have given proof of special energy and efficiency, and will not be granted to officers retiring of their own option before the age of 55, with less than 28 years' service.

The rates and conditions of invalid pensions are now under consideration.

APPENDIX IV.**General Physical Requirements.**

NOTE.—These Regulations are published for the convenience of candidates and in order to enable them to ascertain the probability of their coming up to the required physical standard. But it must be clearly understood that the rejection of a candidate as physically unfit will be at the absolute discretion of the Medical Board and that this discretion is in no respect limited by these Regulations.

1. A candidate must be in good mental and bodily health and free from any physical defect likely to interfere with efficient performance of duty.
2. No fixed limits of height or chest measurement are imposed, but particular attention will be given to the general development of candidates.
3. The hearing must be good.

Regulation as to the Standard of Vision for the Indian Forest Service.

1. If myopia in one or both eyes exists, a candidate may be passed, provided the ametropia does not exceed 2.5 D, and if with correcting glasses, not exceeding 2.5 D, the acuteness of vision in one eye equals $\frac{5}{6}$ and in the other $\frac{5}{6}$, there being normal range of accommodation with the glasses.

5. A candidate having a defect of vision arising from nebula of the cornea is disqualified if the sight of one eye be less than $\frac{1}{2}$. In such a case the better eye must be emmetropic. Defects of vision arising from pathological or other changes in the deeper structures of either eye, which are not referred to in the above rules, may exclude a candidate for admission into the service.

6. Squint, or any morbid condition, subject to the risk of aggravation or recurrence, in either eye, may cause the rejection of a candidate. The existence of imperfection of colour sense will be noted on the candidate's paper.

COMMRS'S OFFICE, DACCA DIVN., DACCA, the 8th February, 1921.

NOTICE UNDER THE BENGAL ELECTORAL RULES.

IN the Court of the Commissioners appointed under section 34 (2) (a) of the Bengal Electoral Rules at Berhampore (Murshidabad).

G. B. MUMFORD,

President of the Commissioners.

JALPAIGURI, the 9th February 1921.

Case No. 1 of 1921 under Bengal Electoral Rules.

TO HIS EXCELLENCY THE GOVERNOR OF BENGAL,

CALCUTTA.

Election petition, Annoda Prosad Sanyal of Berhampore town, in the district of Murshidabad, Elector No. 1881 in the Electoral Roll of district Murshidabad, petitioner. *versus* (1) Babu Surendra Narayan Sing. of Nehalia, in subdivision Lalbagh, district Murshidabad, (2) Babu Ramanimohan Sen. of Sayedabad thana, Berhampore town, district Murshidabad, (3) Babu Anil Kumar Chatterjee, of Berhampore, district Murshidabad, (4) Babu Jnanendra Narayan Chaudhuri, of Nimtita, subdivision Jangipur, district Murshidabad, (5) Babu Kali Krishna Banerjee, of Gorabazar, district Murshidabad, *respondents*.

The humble petition of Annoda Prosad Sanyal, Elector No. 1881, in the Electoral Roll of the district Murshidabad in Bengal

MOST RESPECTFULLY SHEWETH:—

I. That the aforesaid respondents stood candidates for election as a member of the Bengal Legislative Council from the non-Muhammadian constituency in the district of Murshidabad in the Presidency Division.

II. That the votes were recorded on the 3rd and 6th December and they were counted by the District Magistrate on the 10th instant, and the result of the counting is given below:—

1.	Babu Surendra Narayan Sing	3,178 votes.
2.	" Ramanimohan Sen	2,440 "
3.	" Anil Kumar Chatterjee	2,029 "
4.	" Jnanendra Narayan Chaudhuri	720 "
5.	" Kali Krishna Banerjee	355 "

III. That the District Magistrate on the said 10th instant declared Babu Surendra Narayan Sing as elected.

IV. That Your Excellency's petitioner begs most respectfully to submit that Babu Surendra Narayan Sing, the returned candidate, secured a very large number of votes by corrupt practice. A synopsis is given below:—

1. Payment of bribe to voters in the shape of cash money by the returned candidate's agents and men.

2. Payment of money by the returned candidate and his agents or promises to pay to the naibs and gomosthas of some zemindars and talukdars, to secure votes.

3. Payment of money in Government Currency Notes at Roghunathganj to an influential man for securing votes for the returned candidate, by the candidate himself.

4. Promises of payment of money by the returned candidate's men to various parties at Lalbagh, Dhulyan, Barala, Jangipore, Sagardighi, Panchthupi, Jiaganj, Baluchar, Murshidabad and various other places for different purposes, viz., theatricals, jattras, library, school building, and to secure votes.

5. Treating by the returned candidate's agents and men of the voters on the 3rd and 6th instant in very expensive and luxurious ways with *poloa* and sweetmeats in one polling station and *luchis* and sweetmeats in many other polling stations.

6. Publication by the returned candidate and his agents and others with his connivance in the local newspaper, "Murshidabad Hitaishi" of statements of facts regarding the character and conduct of other candidates, which were false and which the returned candidate or his agents did not believe to be true.

7. Voluntary interference by the returned candidate's agents with the right of electors to vote independently by the publication of leaflets and otherwise.

V. That Your Excellency's petitioner has come to learn that on the 3rd of December 1920 when the poll for some wards within the Murshidabad Municipality was taken at the municipal office there was no enclosure in the polling ground and the polling station was not closed after the second hour, viz., 3 P.M., with the result that many electors came and were allowed to vote illegally after 3 P.M., although there was no such enclosure.

VI. That Your Excellency's petitioner has come to learn that the returned candidate Babu Surendra Narain Sing, some time before election, came to see Babu Anil Kumar Chatterjee, who was a rival candidate, and asked him not to stand as a candidate and to withdraw in his favour. Your Excellency's petitioner has further come to learn that the said Babu Surendra Narayan Sing represented falsely to Babu Anil Kumar Chatterjee that Babu Ramanimohan Sen, another rival candidate, would withdraw in his favour. Babu Anil Kumar Chatterjee not having agreed not to stand as a candidate Babu Surendra Narayan Sing threatened him saying that he would never allow Babu Anil Kumar Chatterjee to be returned and would spend any amount of money for that purpose and for the purpose of being elected himself.

VII. That on the facts stated and under the circumstances mentioned above Your Excellency's petitioner humbly and respectfully prays that—

(a) Babu Surendra Narayan Sing's election be declared void and be cancelled, and

(b) Babu Ramani Mohan Sen, the candidate, who got the next largest number of votes, be declared elected.

VIII. That Your Excellency's petitioner begs to deposit herewith a 3½ per cent. G. P. Note numbering 152526 of 1900-01 of the face-value of Rs. 2,000, the market value of which is more than one thousand rupees, as security for costs and respectfully prays that Commissioners may be appointed by Your Excellency for the trial of the petition.

And as in duty bound Your Excellency's petitioner shall ever pray.

ANNODA PROSAD SANYAL.

I, Annada Prosad Sanyal, do hereby declare and verify that statements in paragraphs 1 to 3 and 8 are true to my knowledge and the statements in 4 to 7 are verified upon informations received and believed to be true.

Signed and verified at Sayedabad on the

These amendments will come into operation from the date of the publication of this Notification.

The printing rates quoted in Chapters VI and IX, as now amended, have been sanctioned by the Government of India for a period of six months only, and such period will have effect from the date of this notification. These rates will be charged for paper-books in all appeals, other than Second Appeals, which are now pending in the Government of India Press and which will hereafter be sent to, and completed by, that Press within six months with effect from this date.

As regards Second Appeals, the paper-books now pending in the Government of India Press, or the printing of which will be completed by that Press within the said period of six months, will be printed at the rate of Re. 1-13 per page.

The above rates are liable to revision if the cost of work in the Government of India Press increases during the said period of six months.

In modification of the orders contained in the Court's notification dated the 25th August 1920, cited above, it is ordered that paper-books in all Appeals from Original Decrees (other than those preferred by the Secretary of State or by the Court of Wards) lodged before the 16th November 1920 may, if the Appellant so desires, be prepared in the office of the Appellant's Vakil under the provisions contained in Chapter VII of the Fifth Edition of the Appellate Side Rules, 1920, provided that such Appellant within ten days of the publication of the present notification in the *Calcutta Gazette* shall intimate, in writing, to the Registrar his desire that the paper-book in the appeal should be prepared in the office of his Vakil under the provisions of those rules, and shall deposit the estimating charge in the manner hereinafter provided. Such intimation shall be accompanied by the declaration required by Rule XVII (14) (b) of Chapter VII of the said Appellate Side Rules of 1920. On receipt of such intimation and declaration estimates of the cost of the preparation of the paper-book will be prepared in the office of the Court in supersession of any estimates which may have been issued previously, and will be served on the Appellant and Respondent, respectively, and the Appellant shall within one week of the service of such estimate deposit the estimating charge with the Accountant of the Court. Subject to the above modification, Vakils preparing paper-books in such appeals shall be governed generally by the provisions contained in Chapter VII of the Appellate Side Rules of 1920. Otherwise the provisions of the revised Rules will apply, as far as may be, to all pending appeals filed before the 16th November 1920.

The Rules published under the Court's said notification dated the 25th August 1920, as now modified, incorporate all amendments and additions up to the 26th February 1921 to the Appellate Side Rules contained in the Fifth Edition of those Rules.

NOTIFICATIONS.

No. 1691M.—The 15th March 1921.—In pursuance of section 49, sub-section (1) of the Calcutta Improvement Act, 1911 (Bengal Act V of 1911), it is hereby notified for general information that, in exercise of the powers conferred by section 48 of that Act, the Government are pleased to sanction the street scheme known as Scheme No. VIIIE—Revised (Central Avenue—Prinsep Street to Esplanade) which has been submitted to them by the Board of Trustees for the Improvement of Calcutta, under section 47 of the said Act, subject to the omission of the widening of a portion of Chandni Chawk Street and the area immediately to the west of that street.
Calcutta.

2. A description of the scheme is given as follows:—

Description of the Scheme.

This Improvement Scheme deals with an area of 41·73 acres. Within the area of the scheme will be laid out the southern length of the Central Avenue 100 feet wide extending from Prinsep Street to Dhurumtolla; the southern end of Bentinck Street will also be widened to 84 feet.

All the land included in the scheme will be relaid out in building sites of considerable size, as it is intended that the area should be occupied by business premises, rather than buildings of a residential character.

Provision is made for the acquisition of all land within the blue verge on the plan as being required for or affected by the execution of the scheme.

The existing streets within the area will be closed or altered as shown in the plan and an open space will be formed around the Mosque at the junction of Bentinck Street and Dhurumtolla, and a small playground will be laid out abutting on Prinsep Street.

The roadway in the Central Avenue will be 56 feet wide, and two inches of asphaltum will be laid on 9 inches of lime concrete.

The roadway in Bentinck Street will be 54 feet wide constructed in the same manner.

Side streets will be laid with water bound stone macadam.

The existing sewers, filtered and unfiltered water pipes, also gas mains and telephone cables will be taken up and relaid along the altered streets.

In the Central Avenue two 9" service mains for filtered and unfiltered water-supply will be laid under each footpath.

The tramway lines in Bentinck Street will be relaid in the centre of the widened roadway.

The Board attach great importance to securing unity in the architectural treatment of buildings to be erected on the main roads within the area of the scheme, and will prescribe conditions in this behalf to be complied with by builders.
